PROFESSIONAL SUMMARY

Product Designer, UX Designer and HCI graduate student with 3+ years of experience designing digital products, guided workflows, high-fidelity prototypes, and accessible user experiences. Skilled in translating complex information into clear interaction flows, using research and usability testing to inform design decisions, and partnering with product, engineering, and marketing teams to ship polished experiences. Strong foundation in Figma, design systems, interaction design, visual craft, accessibility, and data-informed iteration.

CORE SKILLS

Product Design: End-to-End Product Design, Interaction Design, UX/UI Design, User Flows, Wireframing, Prototyping, Responsive Web Design

Research & Data: User Interviews, Usability Testing, Journey Mapping, Affinity Mapping, A/B Testing, Insight Synthesis, Behavioral Data Awareness

Systems & Craft: Design Systems, Accessibility (WCAG), Visual Hierarchy, Typography, Layout, Motion Design, Component-Based Design

Tools: Figma, FigJam, Miro, Adobe XD, Sketch, Photoshop, Illustrator, InDesign, P5.js

AI: Cursor, Figma AI, Claude, Loveable, AI assisted design workflows

PROFESSIONAL EXPERIENCE

Lead UX & Communication Designer Assistant | California State University, East Bay | Hayward, CA | May 2025 - Present

- Lead UX and communication design initiatives that make university digital information easier to understand, navigate, and act on.
- Conduct user research, interviews, and usability testing to identify accessibility and comprehension gaps, improving user satisfaction across digital platforms by 40%.
- Create high-fidelity Figma designs, content patterns, and reusable visual components that strengthen consistency, accessibility, and design quality across product surfaces.
- Collaborate with designers, researchers, and stakeholders to gather feedback, explain design rationale, and improve team delivery efficiency by 25%.

Product Designer | Mahalaxmi Ventures | Mumbai, India | Aug 2023 - May 2024

- Redesigned product and marketing interfaces by simplifying user flows, improving layout hierarchy, and applying reusable UI patterns, increasing engagement by 30%.
- Created wireframes, rapid prototypes, and high-fidelity mockups in Figma and Adobe XD to communicate interaction patterns, page structure, and design decisions.
- Partnered with developers and marketers to balance user needs, business goals, and implementation feasibility across responsive web experiences.

Product Designer | Social Pill | Mumbai, India | Apr 2023 - Jul 2023

- Designed end-to-end digital campaign and product experiences, translating content goals into user flows, responsive layouts, and high-fidelity interface designs that increased digital engagement by 40%.
- Used user research, A/B testing, and iterative design refinements to validate concepts, improve calls to action, and make user journeys clearer across web and social product surfaces.
- Created Figma prototypes, high-fidelity mockups, and visual design systems with attention to usability, accessibility, content hierarchy, and responsive behavior.

UX Research & Marketing Associate | Kuteer Realtor | Mumbai, India | Oct 2021 - Mar 2023

- Mapped customer journeys and interviewed users to identify friction points in high-consideration real estate discovery and inquiry workflows.
- Collaborated with developers to improve responsive landing pages and digital assets, clarifying next steps and increasing conversions by 20%.
- Presented research findings, prototypes, and recommendations to senior stakeholders to align design decisions with customer trust, clarity, and business outcomes.

Digital Experience Design Intern | Critegal | Mumbai, India | Jul 2021 - Sep 2021

- Supported UX audits, content plans, and digital communication improvements to increase brand visibility and engagement by 35%.
- Designed user-centered social and web interactions with a focus on clarity, consistency, and visual communication.

EDUCATION

California State University, East Bay | Master of Arts in Human Computer Interaction, GPA: 4.0/4.0 | Aug 2024 - May 2026

University of Mumbai | Bachelor of Arts in Film, Television & New Media Production, CGPA: 8.6/10 | Aug 2018 - Jul 2021

LEADERSHIP

Autodesk Design & Make Ambassador | Autodesk / CSU East Bay | May 2025 - Present

- Host design workshops, mentor peers, and lead peer-learning initiatives for a campus design community of 45+ students.

Assistant Project Manager - Film Production Design | University of Mumbai | Sep 2020 - May 2021

- Led a cross-functional design team to align visual direction, storytelling, and production workflow across creative projects.
